

JUST a little ABOUT Me... ;)
(v1.0fc1)

I believe that we (ALL of us) were sent HERE (to THIS world)
PRINCIPALLY to LEARN, to GROW, and to CHOOSE...

...SPECIFICALLY, I KNOW that I was put HERE (on THIS Earth)
PRINCIPALLY to WRITE and to TEACH (and THAT is WHY "Author" and
"Educator" are the FIRST TWO "Elements" on ALL of my Business Cards),
among a FEW OTHER THINGS (He MOST CERTAINLY DOES have a WISE and GREAT
purpose for me)!

I am a man of ENORMOUS FAITH in God FIRST and a man of science SECOND.
As a writer, CERTAIN words have GREATER meaning to me, and there are
FAR FEWER yet that I have taken liberty in OFFERING (as a writer) my
own DEFINITION for that word, and SCIENCE (or "Mankind's BEST
explanation for the world around them through a SPECIFIC, Scientific
Method.")

After a BRIEF political career, lasting between 4 and 20 years, God
WILLING I do hope to RETIRE to Ireland...to TEACH math AND science!

God has TRULY BLESSED me with this BEAUTIFUL and AMAZING wife, two
INCREDIBLE boys (SO FAR), and I would TRULY be LOST in this world
WITHOUT them!

There is SO MUCH MORE to me than this, but THESE (God, My Family, Our
CLOSE Friends, and His GREAT PURPOSE for me to ACHIEVE, HERE in THIS
world) are what MATTER MOST to me...and EVERYTHING ELSE is a DISTANT
second!

-Alan Adams

p.s. ...and, JUST for giggles, I ALSO made this little "Super Hero
FUN FACT Sheet - (ABOUT Me)."
